2ND EDITION

WELCOME TO SALLY & OOSTENDE LINES

Sailing with Sally is refreshingly different. You'll find us friendly, straightforward and stylish. And we're delighted to announce that you can now sail from Ramsgate to Ostend with Sally Ferries and Oostende Lines.

OUR SHIPS

Between Ramsgate and Dunkerque you'll be sailing on either Sally Sky or Sally Star. These ferries are famous for their Smorgasbords - a Scandinavian style cold buffet which allows you to choose from dozens of delicious dishes for a set price. A relaxed way of eating, indeed.

Ships on the Ramsgate-Ostend route include the latest in luxury superferries, Prins Filip. Or for those foot passengers in a hurry there's our new 100-minute Jetfoil service.

For just a little extra, you can sail Commodore Class when you buy a standard return ticket.

This includes your ferry crossing, AA Five Star vehicle cover for up to 15 days, priority loading if you check in 30 minutes before loading begins; plus breakfast, lunch or dinner on sailings to Dunkerque, or entry to the Admiral Class Lounge on Ostend sailings. This elegant Lounge is a haven of quiet, with free tea, coffee and newspapers. Mention Commodore Class when booking. See pages 12 and 16.

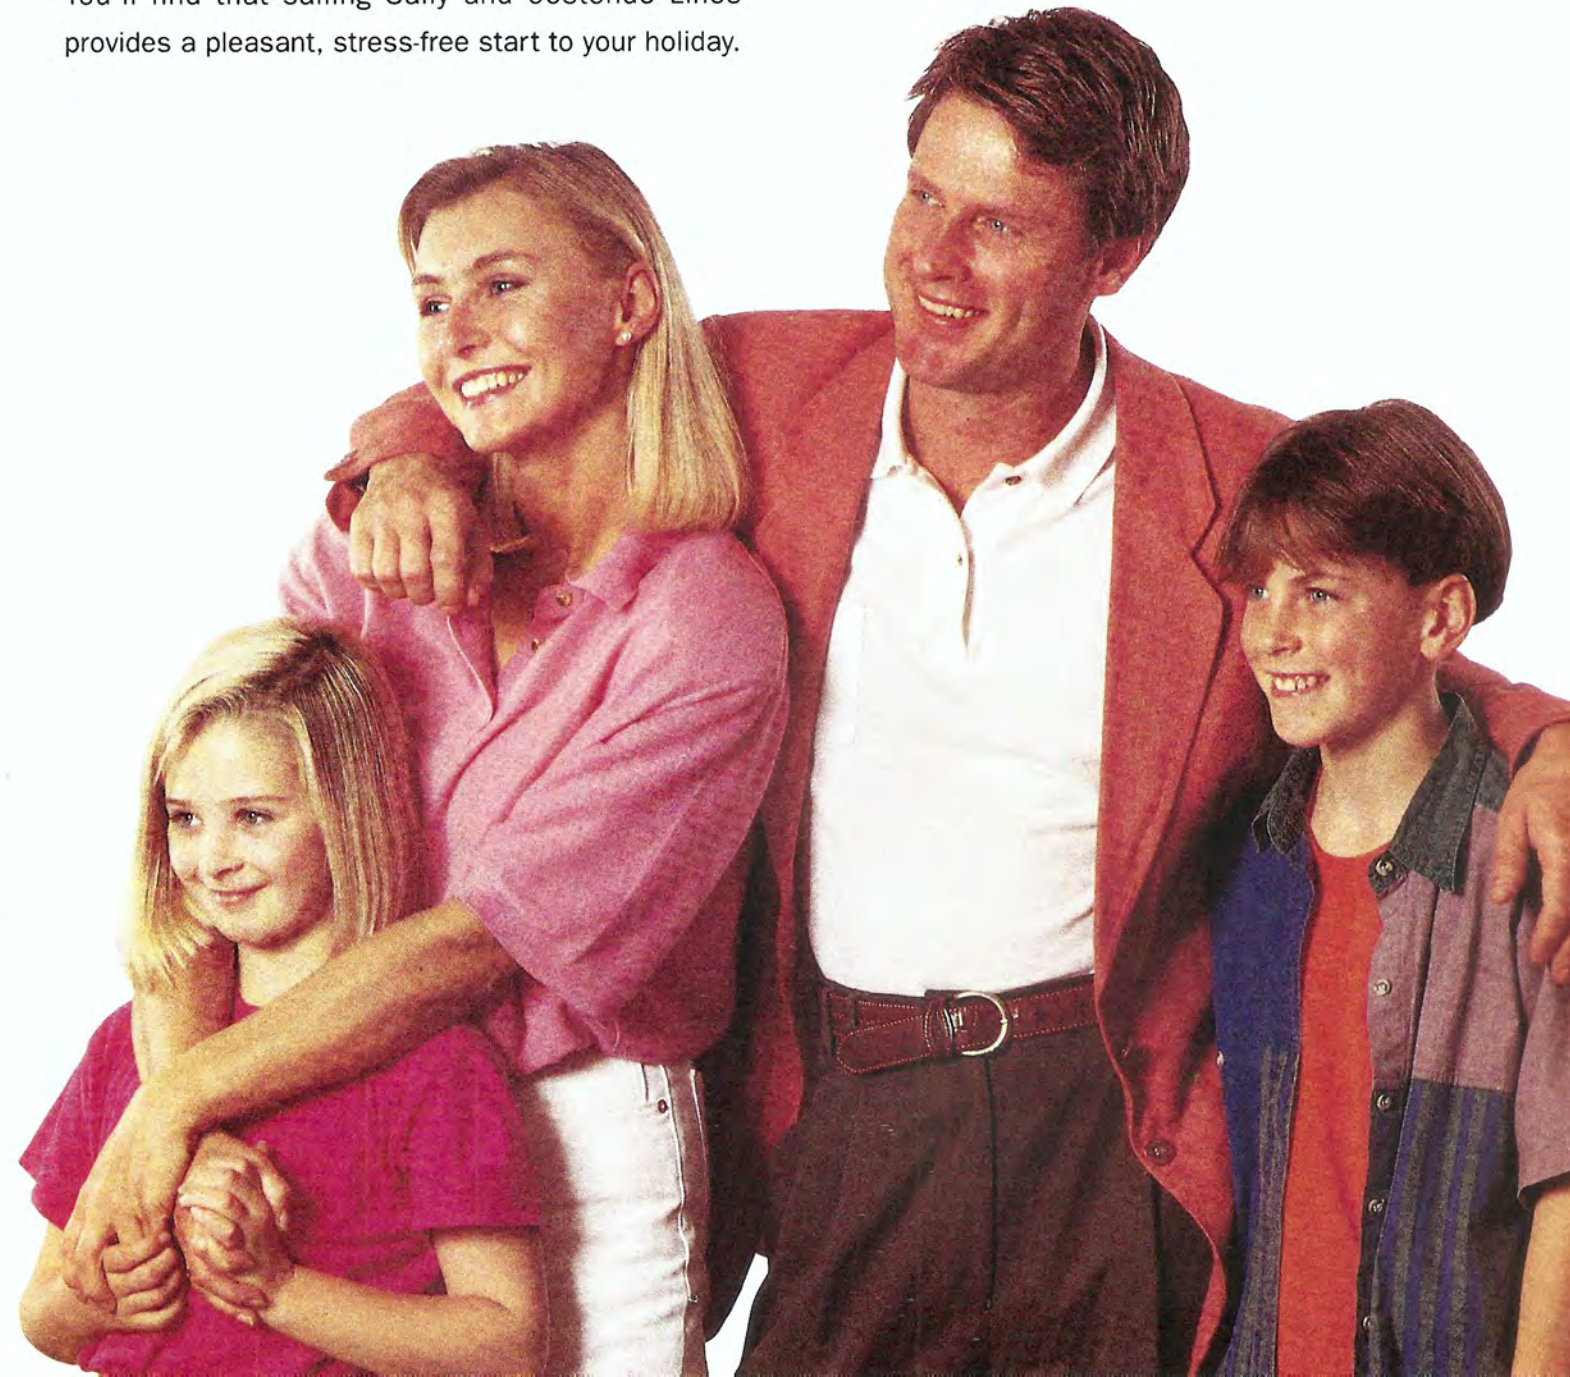

FUSS-FREE ROUTES

Only we operate the Ramsgate-Dunkerque and Ramsgate-Ostend routes, so our service is relatively uncongested. Ramsgate is easy to reach from London and the M25. Both Dunkerque and Ostend take you straight onto the motorway system for all points in Europe.

But we're not just an efficient ferry service. You'll find that sailing Sally and Oostende Lines provides a pleasant, stress-free start to your holiday.

TAKE THE EASY WAY OUT

There's no easier port to find than Ramsgate. From London, take the M2 then the A299. Travelling from outside London, you can take the M25 which joins the M2.

In Ramsgate, you'll find that Sally's own dedicated terminal cuts out congestion and ensures quick, easy boarding and disembarkation. A relaxing crossing of 2½ hours takes you to Dunkerque. A leisurely 4 hour crossing, or a rather more rapid 105 minute Jetfoil flight, sees you in Ostend.

From both ports, you'll find main roads and motorways close at hand to get you on your way to your final destination.

Dunkerque has an excellent motorway link to Paris and the south. With its restaurants and cafés, it's also a great choice for a day trip.

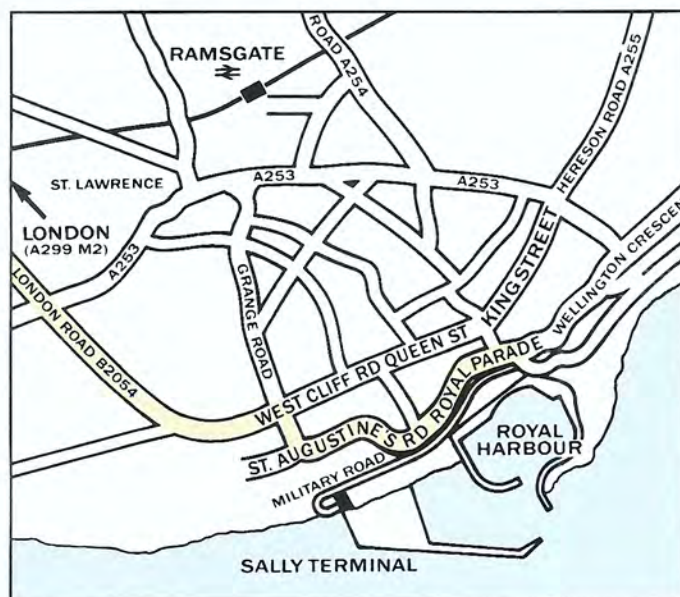

Ostend is a convenient start for those travelling to Holland, Luxembourg, Germany or on to Switzerland or Austria. With superb restaurants and sandy beaches it's also ideal for a short break.

EASY ACCESS TO EUROPE

Tally and Oostende Lines take you directly to the start of the European motorway and rail systems. Our fast disembarkation process means you'll be quickly on your way, and once ashore there's easy access to the motorway from both ports.

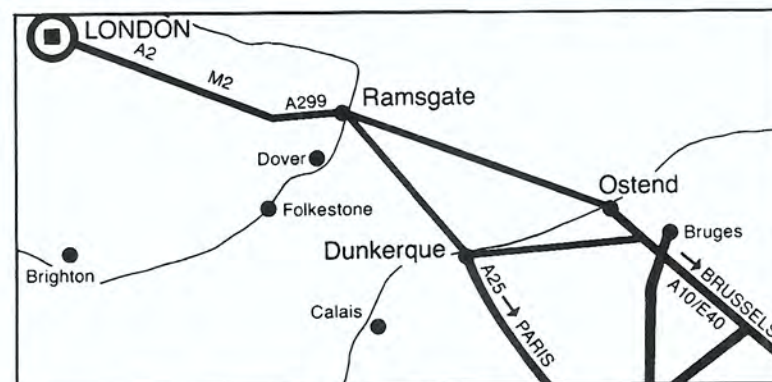

FROM DUNKERQUE

The attraction of Dunkerque for the motorist is the newly constructed A16 autoroute which takes you onto the A25 to Lille, with easy access from there to the European motorway network.

FROM OSTEND

Ostend is the natural choice for motorists heading for Brussels, Amsterdam, Bonn, Basle, or Vienna. Just head for the A10 (E40) for Brussels. Those travelling to Switzerland should take the A4 to Luxembourg, the A31 to Nancy and the N57 to Basle.

Ostend also provides a good link to Austria via the A10 and A13 to Bonn and Frankfurt.

THE FLOATING RESTAURANTS

"The most enjoyable meal across the Channel", the Observer once said, is the famous Sally Smorgasbord, which awaits you in the restaurant on the Ramsgate-Dunkergue route. On the Ostend ships you can relax in the waiter service restaurants throughout the day.

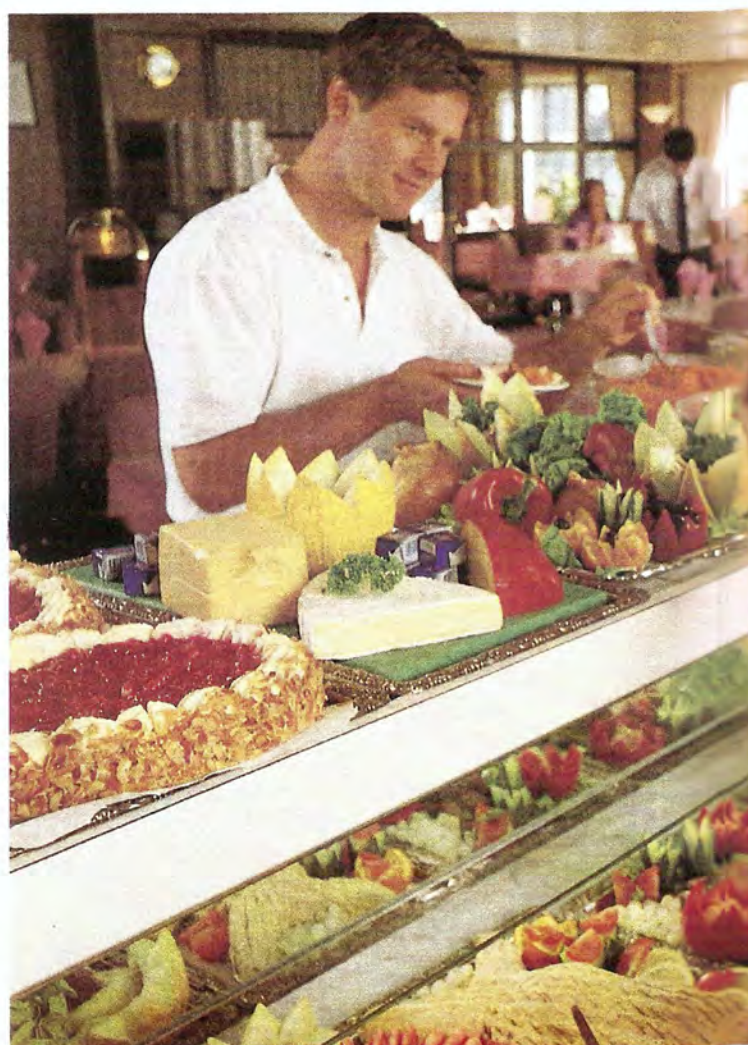

SALLY SMORGASBORDS...

With our Smorgasbords, you pay a modest, fixed price and then take all you want from the cold dishes. The secret of enjoying the Smorgasbord is to take it slowly and go back for more.

"A true Viking always goes back for more!"

There are so many delicious dishes to choose from. Prawns, salmon, smoked and marinated fish dishes, cooked meats, coleslaws and vegetables galore, a selection of cheeses, desserts to finish and fresh fruit in abundance. The Sally Smorgasbord is a feast of tasty dishes that is a great preparation for the journey to come.

You can reserve your place and pay for your meal when making your ferry booking - just give us 48 hours notice before departure.

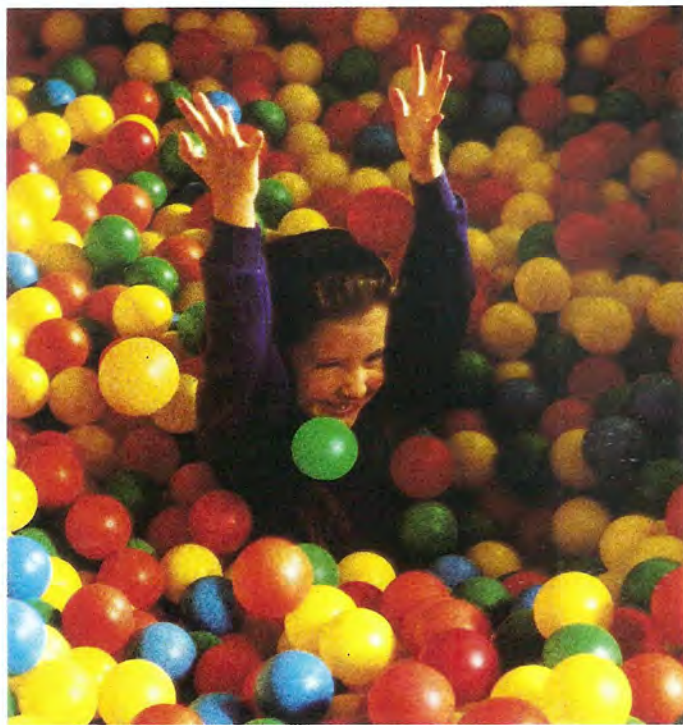

...AND FOR OUR OSTEND PASSENGERS

On the way to and from Ostend, you can enjoy an à la carte meal served by our attentive waiters. There is a tempting range of expertly prepared dishes and fine wines to choose from. And those who prefer a less formal way of dining can visit our self service restaurant which offers both hot and cold meals and snacks.

SAILING TO FRANCE

FACILITIES FOR CHILDREN...

One of the most pleasant surprises for many of our passengers is when they discover that, with Sally, children can travel free. Up to three of them, that is, if they're under 14 and you are travelling by car.

Parents are equally delighted to find our on-board crèche*, constantly supervised by a qualified nanny. 2-8 year olds can while away the crossing with games, puzzles, books and drawing.

The more boisterous can immerse themselves in the multi-coloured sea of balls, and there's also a range of computer games.

These facilities, together with our baby changing room, helped us win a nomination in the Daily Telegraph Parent Friendly Awards.

*On all sailings except the 0830 hours from Dunkerque and the 2300 hours from Ramsgate.

At Sally we do our utmost to ensure that your trip is as stress-free as possible.

The children can play in the crèche while you relax in one of our bars, restaurants or lounges. And then resume your journey totally refreshed.

...AND FREEDOM FOR GROWN-UPS

A light-hearted atmosphere is very much part of sailing with Sally. Once you're on board, you're on holiday amongst friends.

As well as our famous Smorgasbord in the restaurant, you'll find a brasserie with a range of delicious snacks, sandwiches and cakes.

There's also a 1950's-style Juke Box Cafe on Sally Star and the Sky Bar with great sea views on Sally Sky. Both ships have video lounges and shops. And for those who want to keep in touch, there are on-board telephones. For privacy and rest, private cabins are bookable on Sally Star.

Each ship has a small casino in the bar with roulette and blackjack. So why not relax and enjoy yourselves. After all, you're on holiday. After all, you may win!

TARIFFS & SCHEDULES

3 CHILDREN UNDER 14 AND ALL INFANTS TRAVEL FREE IN A CAR

HOW TO WORK OUT YOUR FARE

First, select the relevant price panel depending on whether your journey is a single, or a five day or standard return. Then find your sailing dates and times, and determine the colour codes of the outward and return journey.

Match your colour code with the appropriate tariff band. If your colour codes are different for the outward and return journey, refer to note 1.

Lastly, decide how many adults and children are travelling. If travelling by car or by car and caravan determine the overall length - see notes 2 and 3.

Selling Information

Passengers are requested to check in 30 minutes prior to departure. Sailing time is 2½ hours. All departure and arrival times are local. Continental time is one hour in

advance of the UK throughout the year, other than between 25 September and 22 October 1994.**

Important Notes

1 Where the outward and return sailings are in different tariff bands, the amount payable will be half the sum of the individual fares.

Example:

Car with 5 passengers on a five day return.

Outward journey on pink tariff: £141.00

Return journey on yellow tariff: £106.00

Amount payable pink + yellow + 2 = £123.50

2 The price for car + caravan/trailer is inclusive of both vehicles in the towing position.

3 General information and booking conditions can be found on page 23. If items such as dinghies, masts or canoes overhang the vehicle carrying them, the greater length will apply in calculating the charge.

*Child = 4 to 13 years.

****This information is correct at the time of going to press but should be checked prior to sailing.**

JANUARY 1995: ALL SAILINGS BASED ON JANUARY 1994

SAILING TO BELGIUM

Sally, in association with Oostende Lines, are proud to announce the addition of a new route to the heart of Europe: Ramsgate - Ostend. Picturesque Ostend is ideal for a short break, and being close to main roads and the autoroute it provides a good starting point for holidays on the Continent.

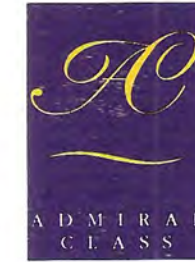

The Ostend route is unique to Sally and Oostende Lines, and you'll find our on-board service equally exclusive.

A NEW PARTNERSHIP

Sally are proud to introduce three ships run by our new Belgian partners. They are Reine Astrid, Prins Albert and the latest in cross Channel sailing, Prins Filip. There's so much space and so many facilities on board this luxurious superferry, you'll never run out of things to do.

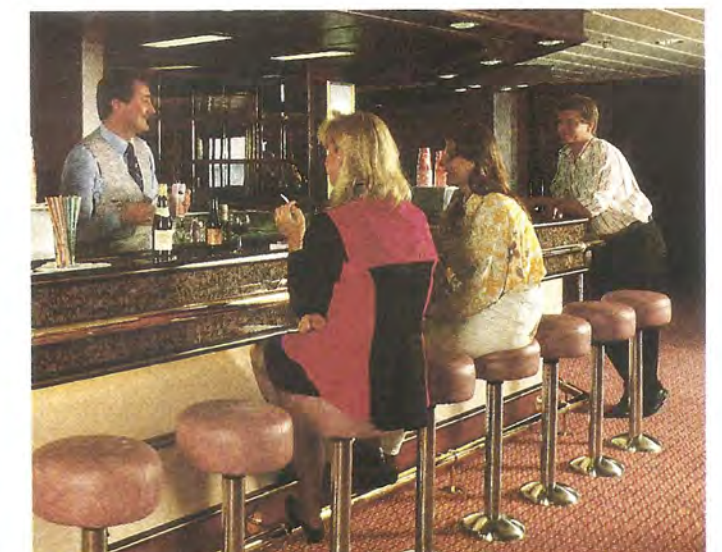

On all our ships, you'll find luxurious lounges, well-appointed private cabins and a children's playroom. In fact, there's something to keep everyone happy throughout the crossing, including a cinema showing the latest box office hits.

For business passengers there is a fully equipped conference room on board the Prins Filip.

Those who would like to enjoy a little extra luxury should try sailing Admiral Class. This is available on all sailings (apart from the Jetfoil) for a supplement of just £4.00 per person.

Admiral Class passengers can take advantage of the dedicated lounge where complimentary tea and coffee are served by our attentive staff. You'll also find a range of newspapers and magazines provided free of charge.

SHOPPING WITH SALLY AND OOSTENDE LINES

As you'd expect with the Sally standards of service, our on-board retail and duty free shops are a cut above the rest. Our wide choice of top quality goods helped us win a commendation for the Inflight/Marine Retailer of the Year Award on the Dunkerque route.

BARGAINS GALORE

Make sure you allow plenty of time for shopping when you sail with Sally or Oostende Lines. There's such a wide choice, at such tempting prices: our shops are just made for browsing and buying at leisure. Now is the time to treat yourselves.

In our on-board shop, you'll find an Aladdin's cave of gift ideas - cameras, watches, jewellery, perfumes and toys, at prices to suit every pocket. On the Dunkerque route you can even pick up a new outfit and matching accessories.

Of course, you'll also find an extensive range of the more traditional duty free goods. This includes wines, spirits, cigars and cigarettes together with a mouthwatering selection of sweets and luxury chocolates - a little of what you fancy.

Remember: you can claim your duty free limit on both outward and return crossings, and bring back both to double your saving.

JETFOIL

THE 100-MINUTE SERVICE FOR FOOT PASSENGERS

If you need to make a quick getaway, you can't get much quicker than the Ramsgate to Ostend Jetfoil service.

A bus service takes you from Ramsgate railway station to the Jetfoil terminal for most sailings. Just enquire when booking.

From Ramsgate, the crossing is swift and comfortable, with breakfast, lunch and refreshments on offer served by cabin staff. A wide range of duty free goods are also available.

At Ostend, you'll find enough museums, shops, bars and restaurants to keep even the most active day-tripper happy. And the Jetfoil terminal in Ostend is shared with Belgian Railways, giving fast and easy links to destinations in Europe.

RAIL/JETFOIL CLUB

Ask for a Rail/Jetfoil Club card at the Jetfoil desk at London's Victoria Station or Ramsgate Station. You can claim a free first class return ticket once you have completed 10 single Jetfoil trips in any 12 month period, starting at any BR station and arriving at any station in Europe.

Jetfoil fares are calculated by adding the relevant supplement (per person per single crossing) to the applicable Ramsgate/Ostend Ferry Foot Passenger Fares. The supplements are as follows:

31 Jan 31 March	1 April 30 April	1 May-30 June & 1 Sept-31 Oct	1 Jul 31 Aug	1 Nov 31 Dec
£6.00	£7.00	£8.00	£9.00	£7.00

For infants between 1-3 years, only the supplement is payable.

Your car should be left in gear, with the handbrake on and locked. Smoking is not allowed on any of the car decks. Do not carry full petrol cans in your car. Ensure that gas cylinders and kitchen equipment in caravans and motorhomes, are turned off and that you do not have any loose cylinders on board.

All statements concerning fares, sailing schedules and related facts are correct at time of going to press, and may be subject to change without notice: February 94.

7-14 days before outward sailing date 10%
0-6 days before outward sailing date 25%
